Shurtape® Professional Grade Gaffers Tape

APPLICATION

Highly versatile and popular matte surface cloth tape widely used throughout the Arts & Entertainment industry for holding and sealing applications. Gaffers tape is used for the temporary mounting of lighting fixtures and reflectors; for the moisture and dustproof sealing of equipment cases and film containers; for bundling and positioning of floor cables; and floor marks for actor's positioning. Preferred by photographers, cameramen and grips whenever an extra strong, waterproof and easy to use tape is needed.

FEATURES AND BENEFITS

- Outstanding conformability to odd shaped and irregular surfaces.
- Provides a positive, waterproof and dirt resistant seal, yet permits easy clean removal.
- Easy hand tear, no need for knife, scissors.
- Performs well over a wide range of temperatures, both indoors and outdoors.
- Excellent abrasion resistance provides long life in high traffic areas.
- Available in Black, White, Grey, Red, Yellow, Blue, Brown, Burgundy, Orange, Olive Drab and Green.
